Dear Mr. Weisberg:

Enclosed you will find a blowup of the portion of the Kennedy picture you want. Please note that the original negative was a 35mm, and that when any negative is blown up, especially many times the original size, it naturally becomes grainy.

We have made special prints on every size you requested. For this additional work, we are charging you $5.00 per print.

We hope the enclosed print is satisfactory.

Sincerely,

M. Goldberg
